

Jodies

As a flight commander you will be leading your flight in Jodie's while marching. Some of you may be teaching your flight Jodies or learning them yourself. This is why it's key to know the Jodies and their cadences well. So if you have questions just ask! The point of jodies is to show how loud and hyped up your flight is while staying on step. They show which flight or unit can be the loudest and most motivated. So be as loud as possible!

Down By The River

Down by the river
We took a little walk
Ran into the enemy
We had a little talk
We pushed 'em

-Hey!

We shoved 'ed

-Hey!

We threw 'em in the river
And laughed as they drowned
We don't need no enemies
A hangin' around
